IAN MANNING BIOGRAPHY

BASED: MELBOURNE, AUSTRALIA

RELEVANT SKILLS AND EXPERIENCE

- Knowledge and practical experience of gaming regulatory compliance practices with emphasis on audit, corporate governance, risk management and due diligence investigations.
- Due diligence advisor to Singapore Government investigating numerous Australian and international bidders for Marina Bay and Sentosa integrated resorts (including casino licences) projects;
- Highly developed information networks in Australia and overseas;
- Well developed report writing, project management and verbal communication skills;
- Excellent communication, interpersonal, negotiation and representative skills, including the ability to liaise and negotiate effectively with politicians, business developers and government agencies; and
- Ability to analyse and integrate evidence in assessing investigations.

WORK EXPERIENCE

- Former bank manager with 13 years experience in branch and corporate banking;
- Senior regulator of casinos in four states since 1982 including the position of Director of Casino Surveillance with the Victorian Casino and Gaming Authority (now VCGR) from 1993 to 2000;
- Founding CEO of accredited gaming product test laboratories in South Africa and the USA;
- General Manager of a business specializing in due diligence and compliance services to both Governments and commercial gaming operations; and
- Recently completed a three year tenure as Vice President of Global Due Diligence investigations with a US based enterprise, specializing in personal and corporate due diligence.
